Budget Transmittal Letter

June 20, 2013

To: The Stanly County Board of County Commissioners and the Residents of Stanly County

Subject: Budget Message

The FY 2013-2014 Adopted Budget and Business Plan has been approved by the Board of Commissioners with the goal of maintaining an affordable tax rate (via a revenue-neutral recommendation) and focusing limited resources on the Board's top program priorities. These priorities include, but are not limited to, education, economic development, and public safety.

The FY 13-14 Adopted Budget is based on a tax rate of \$0.67 cents. The adopted rate is slightly lower than the revenue-neutral tax rate of \$0.6785.

Similar to the past four (4) fiscal years, the Adopted Budget was developed using a modified approach to a zero based budgeting model. All departments/program areas were closely scrutinized. In many instances, departments/program areas were reconstructed as if they were being implemented for the first time. The rationale for this approach was to build a budget that is relevant and sustainable moving into FY 14-15 and beyond.

The budget places an emphasis on maintaining the Board's prioritized core services such as education, public safety, facility maintenance as well as health and human services. This list is not exhaustive, but it provides a quick glimpse at some of the priority areas.

Prior to proceeding, I would be remiss not to thank all County staff for their commitment to the budget process, especially those who spent many hours in the development and preparation of this budget document. Additionally, it is important to recognize the Department Heads that have exercised sound fiscal judgment and restraint over the past several fiscal years. These individuals are to be commended for continuing to accomplish their intended outcomes in an environment of limited resources.

Goal Setting, Strategy Development and Measuring Results

The FY 2013-2014 Adopted Budget is a funding plan aligned to specific service strategies the Board has prioritized as well as those that will meet the Board's goal of reducing the tax burden on citizens and businesses of Stanly County. The Board's highest priorities for FY 13-14 are identified below:

High Priority – Public Schools, Airport, Economic Development, Facility Maintenance, Debt Service, 911 Emergency Communications and Employee Merit.

Performance data from prior fiscal years has been utilized to help make informed recommendations. Examples include, but are not limited to, the increase in EMS staffing based on a 20% increase in call volume in the past five (5) fiscal years.

Further, funding was re-allocated in the Economic Development department to focus more resources on existing industry assistance. Over the past 12 months, existing industry activity has increased significantly, and the County has an opportunity to more proactively address the needs of existing industry to ensure their long-term fiscal health and sustainability.

2013 Revaluation

The most significant impact item associated with the FY 2013-2014 budget is the mandated property tax revaluation. Per North Carolina General Statutes, a revaluation is required at least every eight (8) years. Stanly County's last revaluation occurred in 2005 (FY 2005-2006). In a property revaluation year, North Carolina General Statute 159-11(e) requires local governments to calculate the revenue-neutral property tax rate for comparative purposes. The steps for complying with this requirement are identified below:

Step 1: Determine a rate that would produce revenues equal to those produced for the current fiscal year.

Step 2: Increase the rate by a growth factor equal to the average annual percentage increase in the tax base due to improvements since the last general reappraisal.

Step 3: Adjust the rate to account for any annexation, deannexation, merger, or similar event. (not applicable for Stanly County in 2013)

Countywide Revenue-Neutral Tax Rate*

**based on projected ad valorem assessment and levy as of April 19, 2013*

Step 1: Determine a rate that would produce revenues equal to those produced for the current fiscal year.

N.C.G.S. 159-11(e) In each year in which a general reappraisal of real property has been conducted, the budget officer shall include in the budget, for comparison purposes, a statement of the revenue-neutral property tax rate for the budget. The revenue-neutral property tax rate is the rate that is estimated to produce revenue for the next fiscal year equal to the revenue that would have been produced for the next fiscal year by the current tax rate if no reappraisal had occurred. To calculate the revenue-neutral tax rate, the budget officer shall first determine a rate that would produce revenues equal to those produced for the current fiscal year and then increase the rate by a growth factor equal to the average annual percentage increase in the tax base due to improvements since the last general reappraisal. This growth factor represents the expected percentage increase in the value of the tax base due to improvements during the next fiscal year. The budget officer shall further adjust the rate to account for any annexation, deannexation, merger, or similar event.

Value Calculation

Step 1- Determine a rate that would produce revenues equal to those produced for the current fiscal year.

		<u>Tax Rate</u>	<u>Gross Tax Levy</u>
Projected Assessed Valuation for FY 12-13 (before revaluation)	\$ 4,310,455,829	\$0.6700	\$28,880,054
Projected Assessed Valuation FY 13-14 (after revaluation)	\$4,312,700,000	\$0.6697	\$28,880,054

Step 2 - Increase the rate by a growth factor equal to the average annual percentage increase in the tax base due to improvements since the last general reappraisal.

Average annual growth since 2005 revaluation = 1.32% (see chart below)

Fiscal year		Assessed Valuation as of June 30	Annexation (Deannexation)		Total Adjusted for Annexation or Deannexation	Valuation Increase	Percentage change

Step 3

No adjustments for annexation, deannexation, merger or similar event are relevant for Stanly County for the 2013 revaluation.

Ad Valorem Tax Revenue Analysis

The increase in ad valorem tax revenue over the amount included in the FY 12-13 adopted budget is fairly significant (\$664,498). An explanation of the increase is included below:

- Increase in tax levy due to conservative budgeting in FY 12-13 = \$400,000
- Increase in past due collections/interest/penalties = \$135,000
- Increase due to DMV tax and tag payment system = \$ 75,000
- Increase due to higher collection rate = \$ 30,000
- Increase for tax base growth = \$ 25,000

Current Year Impact Issues

The County's sales tax revenues are projected to increase by \$290,000 (4.4%) from the FY 12-13 adopted budget. Investment income is projected to decline by \$25,000. Additionally, reimbursement revenue for housing state inmates is projected to increase by \$30,000, and EMS service fees are projected to increase by \$200,000. Lastly, the adopted budget calls for an appropriation of \$917,267 in Fund Balance. This is an increase of \$383,201

(71.8%) from the FY 12-13 adopted budget. The increased fund balance appropriation can primarily be tied to over \$328,000 in one-time capital expenditures.

The increases in revenue are primarily offset by the following expenditure increases in FY 13-14: health insurance premiums (\$185,705), annualized payroll resulting from merit (\$160,000), increase for worker's compensation premiums and deductible expenses (\$31,745), cost of living allowance for employees (\$413,000), increased funding for public schools (\$193,506), additional staffing for EMS due to a 20% increase in call volume (\$107,000) and increased funding for deferred building maintenance (\$30,000).

Providing adequate funding to maintain existing public facilities and equipment is a high priority of the Governing Body. The primary strategy is pay-as-you go funding for the majority of the County's building and equipment repairs. Additional funding was appropriated in FY 13-14 for key equipment replacement in the areas of EMS, Sheriff, DSS, Inspections and Facilities Maintenance. Capital outlay funding for Stanly Community College also increased by \$5,000 to keep the allocation per square foot consistent with the funding allocation for the County's capital repairs and building maintenance.

FY 2013-2014 Adopted Budget – General Fund

The FY 2013-2014 Adopted Budget provides \$55,458,706 in total funding. This represents an increase of \$2.24 million (4.2%) from the FY 2012-2013 Adopted Budget. However, this total includes all dollars both County and non-County. The Adopted Budget requires \$36.7 million in County revenue, and is based on a tax rate of \$0.67 cents per \$100 valuation. This tax rate is slightly below the revenue-neutral tax rate of \$0.6785 as defined by North Carolina General Statutes. Below please find a chart illustrating the FY 13-14 Adopted Budget total in comparison to past fiscal years. In short, the FY 13-14 Adopted Budget increased, but it is still far short of the pre-recessionary budget total of \$59.04 million in FY 2008-2009.

Stanly County's assessed valuation (tax base) is projected to marginally increase in FY 13-14, and the ad valorem tax revenue is based on a collection rate of 96%. One penny on the tax rate will generate approximately \$414,019 in FY 2013-2014.

It is also important to note that 82% (\$45.5 million) of the adopted General Fund budget is appropriated for mandated services. Mandated services include, but are not limited to, social services, public health, debt service, juvenile & adult detention, law enforcement, and education.

The General Fund is supported by \$28,953,000 in ad valorem tax revenue. This revenue source includes both current year and past due tax collection revenues. This is a \$664,498 (2.3%) increase from the FY 2012-2013 amended budget.

A comparison of several County revenue sources for FY 2012-2013 and FY 2013-2014 can be found below:

Revenue Source	FY 2012-2013 Adopted	FY 2013-2014 Adopted	Difference	% Increase/Decrease
Ad Valorem	\$28, 288,502	\$28,953,000	\$664,498	2.3%

Interest on Investments	125,000	100,000	(25,000)	20%
TOTAL	\$35,038,502	\$35,968,000	\$929,498	2.7%

Major Expenditure Changes for FY 2013-2014

The major expenditure changes¹ (approximately \$50,000 or greater) for the FY 2013-2014 budget are as follows:

Increase for Employee COLA (cost of living allowance – 2.5%)	\$413,000
Increase for Stanly County Schools Current Expense	193,506
Increase for Group Health Insurance Premiums	185,705
Increase for Annualized Merit Increases from FY 12-13	110,000
Increase for Vehicle Tax Collection Fees via State	60,000
Increase for FY 13-14 Employee Merit	50,000
Reduction in School Debt Payments	(99,251)

Additionally, there are a few key expenditure increases and reductions that fall under the \$50,000 threshold. These changes include additional funding for Stanly Community College (\$30,000), additional repair and maintenance funding for facilities (\$30,000), reductions due to the completion of the 2013 tax revaluation (\$43,000), and additional funding to replace the County's email server and MS Office software licensing with cloud based email and applications (\$43,000). The transition to cloud based services will save the County approximately \$95,000 over a twenty (20) year period.

Education Services

The Stanly County School (SCS) system requested a \$193,506 increase in their current expense funding for FY 13-14. Additionally, SCS sought a \$125,000 increase in capital outlay funding next fiscal year.

As a result of a projected increase in sales tax revenues, a \$75,000 increase was provided for the school system's capital outlay funding. This appropriation is \$50,000 less than requested, but the amount is tied directly to a mandated portion of the County's overall sales tax revenues. Further, SCS recently sold the old Central Elementary School facility for \$150,000, and the sale proceeds must be utilized for capital outlay.

The Stanly County School System's current expense allocation of \$9,570,868 is consistent with its request. As a result, the per pupil County dollar funding rate for FY 13-14 will increase by \$39.

¹ Dollars represent increase/decrease from the current fiscal year adopted budget

Based on information from the NC Department of Public Instruction, the school system's average daily membership (ADM) is projected to decrease by 190 students. Below please find a table illustrating the level of County funding (solely local property tax dollars) per student over the past four (4) years.

Fiscal Year	FY 10-11	FY 11-12	FY 12-13	FY 13-14

The current expense allocation for Stanly Community College (SCC) is consistent with their FY 13-14 request of \$1,267,820. This is an increase of \$24,860 (2%). Stanly Community College will receive \$5,000 more than requested for capital outlay (\$160,000) to maintain consistency with the County's appropriation per square foot for building maintenance and capital repairs.

Below is a three (3) year comparison of the capital outlay funding per square foot:

Debt Service

The projected debt service for both educational and County owned facilities, vehicles and equipment is \$2,855,285 in FY 2013-2014. This is a \$49,445 (1.7%) decrease from FY 2012-2013. Further, this expense represents 7.8% of total County dollars or approximately 6.9 cents on the adopted tax rate.

Expenditure Summary – Where the Money Goes

The majority of revenue (76% - \$41.88 million) goes to three (3) major program categories. These programs are public safety, health and human services and education services. Further, the vast majority of the services in these program categories are mandated.

Human Capital Management

Three (3) positions have been frozen for a period of time to generate savings in the FY 13-14 budget. Additionally, due to the statewide tax and tag payment system conversion, counties will no longer have the responsibility to bill and collect motor vehicle taxes effective July 1, 2013. Vehicle taxes represent a significant number of tax bills annually. Due to the elimination of the aforementioned workload, there is no justification for maintaining the current level of Tax Administration staffing. As such, a Customer Service Representative position will be eliminated via a Reduction in Force effective November 1, 2013.

Three (3) new positions were approved in the Emergency Medical Services (EMS) department. These 3 staff will operate a quick response ambulance (QRV). The additional resources will enable the County to re-allocate resources to better serve the growing demand in the western part of Stanly County. EMS has seen a 20% increase in call volume since FY 2008-2009. Further, there have been a growing number of incidents where mutual aid relief from Cabarrus County has been requested due to a lack of available coverage in the western part of the county.

Two (2) positions were reclassified as part of the FY 13-14 budget adoption. One position was reclassified due to shifting responsibility and workload within the Department of Social Services. The other position in the Tax

Administration department was reclassified due to the successful obtainment of the Deputy Tax Collector certification from the UNC School of Government. A summary of all the changes can be found below:

Deputy Tax Collector	Tax Administration	\$1,767

A 2.5% cost of living allowance (COLA) is included in the FY 2013-2014 adopted budget. No COLA or market adjustment has been granted to County employees since FY 2007-2008 (6 fiscal years).

Given the County's rising healthcare benefits and claims expenses, two (2) new initiatives have been implemented in an effort to control costs. First, the County will contract with a nurse practitioner (NP) for worksite wellness. It is proposed the NP will have office hours three (3) days per week at the Stanly County Commons. A total of \$85,000 has been re-allocated within the Group Health Fund to cover the cost of this contracted service. It is anticipated the worksite wellness clinic will ultimately reduce claims and healthcare related expenses for the County.

Further, a gain sharing system has been implemented to share a portion of any savings accrued in the Group Health Fund with each employee participating in the County's health insurance plan. In summary, this program is being implemented to encourage employees to be more educated consumers of their healthcare to help the County reduce its healthcare related expenses. The program requires 80% of the savings be maintained in the County's Group Health Fund balance and 20% be distributed equally to each employee who is active as of the close of FY 13-14 and enrolled in the County's health insurance plan effective July 1, 2013.

Capital Improvement Plan

Several capital investments are included in the FY 13-14 budget to avoid further maintenance and repair deferral. As part of the FY 2013-2014 budget process, County departments submitted more than \$1.47 million in capital outlay and capital improvement requests. These projects are listed below. Please note there are two (2) tables. The first (with a yellow header) contains all projects less than \$10,000. The second table (blue header) includes all capital projects greater than \$10,000.

All of the projects were prioritized based on legal mandates, alternative revenue sources, OSHA compliance, public safety/emergency response provision, alignment to Board priorities and other miscellaneous assessment factors. Several vehicle requests were made by various departments. Based on age, mileage and function, vehicle requests were approved for Emergency Medical Services, Animal Control, DSS, Inspections, SCUSA and the Sheriff's Office. There are many additional vehicles that will need to be replaced in FY 14-15 and beyond, but the appropriations in FY 13-14 will help move the County in a direction that will provide greater, long-term financial stability. Overall, based on vehicle maintenance records and spending, it appears many County vehicles have been satisfactorily maintained and remain functional.

As a result, eighteen (18) projects, at a total projected County cost of \$328,840, have been included in FY 2013-2014 budget. In addition to the aforementioned projects, a total of \$1.8 million has been appropriated for Stanly County School projects. All of the funding for the school based capital projects will come from dedicated local sales tax dollars.

# Ambulance replacement (1 new/2 remount) – EMS	0
FY 2013-2014 Adopted Budget - County Dollars	\$328,840

#The ambulances will be financed in FY 13-14 at a not to exceed amount of \$308,500, and the first debt payment will be due July 2014. This will coincide with the end of a current ambulance debt service payment. No financial impact in FY 13-14. There may be a nominal increase or decrease of financial liability in FY 14-15 based on the new interest rate versus the current.

There will be a cost associated with delaying and deferring the remaining list of capital projects. However, existing revenues are not sufficient to cover the projected expenses. It will be imperative to continually make investments in our existing facilities, equipment and technology to ensure efficient service provision and effective facility management.

Revenue Summary

The overwhelming majority of the projected revenue in the General Fund will come from the current year tax levy. Property taxes represent 52.2% of total funding. The second largest contributor of revenue to the General Fund is Intergovernmental (State & Federal) funding. These various revenues equate to over \$9.3 million dollars (16.8%) of total revenue. These aforementioned revenues, combined with sales tax (12.5% of total revenue) and sales and service fees (12.8% of total revenue), represent 94.3% of total revenue.

Fee/Tax Increases

The only General Fund fee increases and decreases included in the adopted FY 2013-2014 budget were those mandated by the State of North Carolina for environmental health. The aforementioned changes are highlighted in the chart below. No additional fee increases or decreases were made in the General Fund for FY 13-14.

Outside Agency/Special Appropriation Requests

The County received funding requests from Central Park, NC, the Veterans Career Center and the Albemarle Downtown Development Corporation (ADDC) for FY 13-14. Central Park, NC sought a \$10,000 appropriation to support their regional efforts focused on entrepreneurial and amenity based economic development. Central Park, NC is located in the Town of Star in Montgomery County. The Central Park request was not funded in FY 13-14.

Additionally, the Veterans Career Center sought \$2,500 a year for five (5) years beginning in FY 13-14 to support their efforts to disseminate information about community resources available for veterans. This request was not funded. However, the County increased funding to its own Veteran Services office in FY 13-14.

Lastly, the ADDC requested \$10,000 to match an anticipated appropriation from the City of Albemarle for roof repairs at Market Station. The ADDC request was not funded in FY 13-14.

Enterprise Funds (Water & Sewer)

The water and sewer enterprise funds are intended to be self-supporting through user fees and assessments. All of the funds are currently fiscally viable and reflect positive cash flow. Water and sewer rates for each of the County's respective utility funds increased by 5 percent. The increase is tied directly to water and sewer rate increases from the City of Albemarle and Town of Norwood. No fee increases for taps associated with ¾, 1, or 2 inch water service connections or standard sewer service connections were approved.

Greater Badin Water and Sewer District (Fund 611)

The adopted budget for the Greater Badin Water and Sewer District is \$425,000 in FY 2013-2014. The budget is based on a base water rate structure of \$18.75 for the first 2,000 gallons and \$9.61 per 1,000 gallons thereafter, and a base sewer rate structure of \$6.67 per 1,000 gallons. The adopted FY 2013-2014 budget of \$425,000 represents a decrease of \$20,509 (4.6%) from the FY 2012-2013 Adopted Budget.

Piney Point Water District (Fund 621)

The adopted budget for the Piney Point Water District is \$133,650 in FY 2013-2014. Again, the budget is based on a base water rate structure of \$18.75 for the first 2,000 gallons and \$9.61 per 1,000 gallons thereafter. The adopted FY 2013-2014 budget of \$133,650 represents a decrease of \$2,450 (1.8%) from the FY 2012-2013 Adopted Budget.

Stanly County Utilities (Fund 641)

The adopted budget for the Stanly County Utilities is \$2,420,830 in FY 2013-2014. The budget is based on a base water rate structure of \$18.75 for the first 2,000 gallons and \$9.61 per 1,000 gallons thereafter, and a base sewer rate structure of \$6.67 per 1,000 gallons. The adopted FY 2013-2014 budget of \$2.42 million represents a decrease of \$63,960 (2.6%) from the FY 2012-2013 Adopted Budget.

Special Revenue Funds

911 Surcharge Fund (Fund 260)

The adopted budget for the Wireless Fund is \$375,258 in FY 2013-2014. A portion of these funds are used to offset the cost of 911 address coordination and road naming services via the General Fund. Additionally, these funds will be used to cover the cost of system trunk lines as well as service and maintenance contracts. A total of \$97,882 will be appropriated from the Surcharge Fund balance. These funds will be utilized to help offset the annual lease payments associated with the 911 Center's phone system. The FY 2013-2014 budget represents a \$12,157 (-3.1%) decrease from FY 2012-2013.

Airport Authority (Fund 671)

The adopted budget for the Airport Authority is \$840,747 in FY 2013-2014. The budget includes a \$289,467 appropriation from the General Fund. The \$289,467 appropriation includes the required match for the annual Vision 100 grant funding. Further, the appropriation includes a one-time capital outlay increase of \$25,000 for a new flex wing mower. The appropriation from the General Fund in FY 13-14 is \$20,967 (7.8%) greater than FY 12-13.

Summary

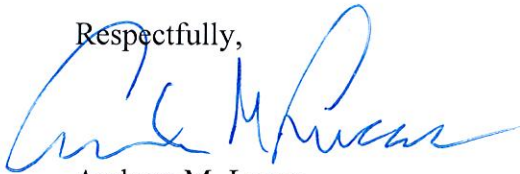

The Adopted Budget provides sufficient funding to the County's core services as well as those prioritized by the Board for FY 13-14. Additionally, the budget will assist the Board in meeting its goal of ensuring fiscal sustainability over the next several fiscal years as new capital initiatives are implemented.

A modified approach to zero based budgeting was utilized to identify operational efficiencies. As such, every line item was scrutinized, evaluated in comparison to prior year actual expenditure trends and re-justified to ensure relevance in FY 13-14.

The FY 13-14 Adopted Budget/Funding Plan makes strategic investments in Stanly County's future by increasing funding to public schools, economic and workforce development efforts and public safety. These investments are essential for building strong, healthy and active communities which will ultimately assist the County in attracting new business, industry and most importantly jobs.

I invite Stanly County residents to review and critique the County's Adopted Budget by going to <http://www.co.stanly.nc.us/content/index.php?budget>, obtaining a copy at a public library or the Central Administration office at the Stanly County Commons facility.

Respectfully,
