It is a pleasure to present to our community the 15th annual Report to the People. The report highlights service improvements, funding enhancements, programmatic outcomes and more. The County strives each year to evaluate our progress, review our activities and make informed decisions to enhance services and programs we deliver to improve the quality of life for our citizens.

Below please find a list of some, but not all, of our key accomplishments in 2018:

• Maintained the tax rate for the 12th consecutive year
• Increased operational and capital funding to the local school system by over $450,000 with an emphasis on improving classroom technology and building security
• Increased resources for teacher supplements by 23%
• Worked directly with six (6) companies to encourage them to either locate in Stanly County or expand operations resulting in the creation of 140+ new jobs and over $11 million in new taxable investment.
• Approved a contract to begin construction of water, sewer and road improvements for the new Riverstone Industrial Park in western Stanly
• Secured multiple health and human services grants to address and help mitigate the impacts of the current opioid epidemic
• Initiated the construction of a new EMS base and radio communications tower to improve emergency response and interagency communication

The Board of Commissioners has continued its focus on increasing funding for education, maintaining the size of government, deploying technology and enhancing the County’s ability to recruit and retain a qualified workforce. Further, the Board understands the need to maintain an affordable tax rate for economic development, our agriculture economy and those on fixed income.

We will continue to encourage innovation, good stewardship and emphasize a results-oriented government for the people of Stanly County. Please take a few moments to review our results and progress and do not hesitate to contact any of the County Commissioners if you have questions or concerns.

Respectfully,

Matthew Swain, Chairman
Stanly County Board of Commissioners

CULTURE & RECREATION

The Stanly County Agri-Civic Center is a multi-use complex housing the offices of NC Cooperative Extension Service, USDA Rural Development, Natural Resources Conservation Services, North Carolina Forestry Service and the Farm Service Agency as well as a 1,050-seat performing arts theatre, banquet facilities and several multi-purpose meeting rooms.

Highlights of building maintenance and improvement projects:
• Removal of all Bradford Pear trees around front entrance of building in preparation for landscaping
• LED pendant fixtures and lights installed in auditorium
• Bat removal and proofing of facility completed
• Stanly County’s Building Inspector and Fire Marshal updated capacity limits for all meeting areas and signage posted accordingly
• Friends of the Ag-Civic Center (FACCC) continue to fundraise and support projects at the Ag-Civic Center

The Stanly County Public Library and History Center provided books, information, and programming for citizens of all ages.
• Issued 1,810 new library cards
• Added 8,437 new EBooks title to the collection
• Added approximately 8,000 new books to the collection
• Checked out 164,614 items
• History Center has approximately 250 visitors per month

Albacore:
Staff participates in ongoing training to ensure industry best practices are followed to provide the safest, most cost-effective coordinated public transportation service.

SCUSA
SCUSA provides safe, reliable transportation to all Stanly County citizens with a goal of excellent customer service.

The airport continues to experience steady utilization from both general aviation and military activities.
• Co-located aeronautical businesses, Plexus Aviation, Ingelow Aviation and Dallas Airotive continue to be successful. Another tenant moved into the terminal building late in the year who brought another aircraft to the airport.
• The 235th Air Traffic Squadron supports the airport and tower activities.
• The North Carolina Emergency Training Center is a planned training project involving many local, state and Federal agencies. Plans for development and funding the project are currently underway.
• We will soon begin the Environmental Assessment that is required before the airfield enhancements can be started that the 140th Arctic Wing needs to support the training requirements to be fully operational with C17 aircraft.

Emergency Medical Services continues to adapt and grow with the changing pre-hospital medical practices:

- Responded to 10,261 calls
- Transferred from a 24/48 shift to 24/72 shift schedule in March
- Operated six (6) Advanced Life Support Ambulances and experienced a 4.8% increase in our overall volume
- Medical Director Dr. Christine Hall implemented new Region I protocols with system-wide training
- EMS CARES Committee introduced Pit Crew CPR County wide, a systematic approach of workplace cardiac arrests. A new QCPR device has been added to assist first responders in performing high quality CPR
- New training, continuing education and record keeping software were implemented to meet compliance and assist with record keeping
- Purchased new training equipment to meet HDMI regulations and improve hands on training
- Participated in the regional paramedic competition where the paramedics earned a trip to the state EMS Expo

The Fire Marshal’s Office continues to strive for excellence in service.

- Conducted 594 fire inspections and reviewed 95 commercial plans
- Responded to sixty-two (62) fire investigations/calls for service and continues to make fire investigations a priority
- Continued to build partnerships with Bureau of ATF&E, NC SBI, and NC OSFM, NC Forest Service and other local law enforcement agencies
- Received training in fire investigations, fire code enforcement, emergency management; participated in joint exercises with the NC Forest Service, Red Cross, NC OSFM
- FMO Fire Prevention Education Team built a fire extinguisher training prop that we now use to teach programs to industry as well as other County departments. We continue to offer free training programs to local daycares in fire safety, evacuation, and lockdown drills
- Continues to provide and install smoke alarms in homes that call to request. We provide this free of charge through a partnership with the Red Cross and NC Office of State Fire Marshal and have installed over fifty (50) at this time

Health & Human Services

• Promote self-sufficiency and to protect, promote, preserve, and improve the health, quality of life, and the environment of the residents.

Vision: Building a county of self-sufficient, healthy individuals, families, and communities through public health and social services, and collaboration among community partners and communities of Stanly County.

Mission: To provide access to health care and nutrition, to promote economic stability, and to increase access to health care and nutrition.

Community Partners and Communities of Stanly County.

Vision: Building a county of self-sufficient, healthy individuals, families, and communities.

Mission: To promote self-sufficiency and to protect, promote, preserve, and improve the quality of life for Stanly County residents.

The agency provides services to protect vulnerable adults and children, promote economic stability, and increase access to health care and nutrition.

Approximately 145 individuals visit the agency on a daily basis.

Assistance Programs, Eligibility Requirements and Service Data

Work First Employment

- Assists job seekers with training, education, and support services to prepare them to become self-sufficient.
- 19 families served.

Crisis Intervention

- Assists individuals and families with payment for or cooling emergencies which use a life or health threat.
- Provided $123,264 in assistance to local families.

Low Income Energy Assistance (LIEAP)

- Assists low-income households with the cost of local heating.
- Provided $28,200 to local families.

Food and Nutrition

- Promotes improved nutrition and reduces food insecurity by providing healthy meals and meals to children.
- Collects $4,097,322 in local support payments.

Child Support Enforcement

- Purchased private day care centers to enable parents to maintain employment, attend educational and job training classes, and to assure the safety of children.

Day Care

- Purchased private day care centers to enable parents to maintain employment, attend educational and job training classes, and to assure the safety of children.

Paid $1,837,100 to local day care providers.

Foster care

- Provides temporary placements for children in licensed foster homes or group homes.
- Worked with 24 licensed foster families to provide care for the foster children in their homes.
- Collected $9,400 in Foster Care Support payments.

Medical Assistance/Medicaid

- Provides payment for basic medical care to elderly and disabled adults and families based on need, income, and resources.
- 12,442 individuals per month received assistance.

Social Services

The mission of the Stanly County Department of Social Services is to promote self-sufficiency, and to protect and improve the quality of life for Stanly County residents.

The agency provides services to protect vulnerable adults and children, promote economic stability, and increase access to health care and nutrition.

Approximately 145 individuals visit the agency on a daily basis.

Facilities Management

Facilities Management is responsible for all county road signs, nine (9) convenience centers, and over twenty (20) buildings and grounds which are owned or occupied by county departments.

Key Accomplishments:
- County: painted 4th floor and installed new ceiling tiles; new parking lot concrete; started replacing HVAC controls
- Senior Center: started working on new classroom
- Guard Road storage building: replaced roof

Register of Deeds

The Register of Deeds maintains public records and documents, including records relating to real estate ownership and vital records. We ensure that the documents received in this office reflect the trust that citizens place in us.

E-recording has been implemented. Electronic recording allows attorneys and lending institutions to electronically file documents without having to present their documents in person or by mail.

The Collector’s Office collects the real property tax from Stanly County, ten (10) municipalities, thirteen (13) Fire Districts, and two (2) Special Districts. They also collect for nuisance items and EMS bills.

The Collector’s Office yielded a 97.23% collection rate for FY 2017-18. This rate represents the highest on record. Collectors are responsible for indicating all of the various types of property located in the county.

The Assessor’s Office is responsible for valuing all real estate, improvements to real estate, personal property, business personal property, and motor vehicles.

The Personal Property Division processed 1,150 Homestead Exemptions for the 2018 fiscal year, increasing the exclusion amount of $53,267,702 in value.

The Real Property Division continued their effort to complete the 2021 Revaluation project which involves reviewing approximately 38,500 parcels in the county.

The Assessor’s Office processed roughly 17,200 parcels in 2018 for a total project of approximately 23,500 reviews since the project began in 2017. Appraisers are also responsible for listing new construction and maintaining valuation appeals. Appraisers completed roughly 1,300 field visits for new construction and appeals.

ECONOMIC & PHYSICAL DEVELOPMENT

The Planning Department works with landowners and developers to permit the best uses of property throughout the county. Planning focuses on growth areas identified in the 2010 Stanly County Land Use Plan and on areas with infrastructure in place to support new development. Redevelopment of existing properties is encouraged as we support economic development efforts. Staff coordinated twelve (12) rezoning or text change requests through the Planning Board, two (2) requests for Variances with the Board of Adjustment and eight (8) requests for Administrative Relief from setback and similar zoning requirements. Zoning enforcement ensures that property values and public safety are protected based on the county-wide zoning ordinance, public nuisance ordinance and minimum housing standards.

- Issued Zoning Compliance Permits for the municipalities of Albemarle, Misenheimer, Red Cross, Richfield, New London, Bain and Norwood.
- Enforced the Public Nuisance Ordinances for New London, Bain and Norwood.

Did you know?

Since 2010, sixty (60) abandoned manufactured homes have been removed through the Abandoned Manufactured Home Program, with approximately eighty (80) others removed by the owners. Property owners with abandoned manufactured homes may apply to have these removed through this program. We collaborate with each municipality for a variety of services and code enforcement activities.

Economic Development Commission

Stanly County EDC responded to forty (40) inquiries from prospective consultants or companies seeking information about available product, workforce, utilities, access to highways and other data related to a site(s) in Stanly County.

Staff worked directly with six (6) companies to announce the creation of 141 new jobs and $11.2 million in new taxable investment this year. The EDC also met directly with twenty-six (26) local businesses to ensure they have the resources they need to be successful and profitable in Stanly County. Below please find a graph illustrating the location and types of industries associated with the current list of active projects:

Active Project Locations:

- Badin
- Locust
- Norwood
- Oakboro
- Richfield
- Stanfield

Active Project Industry Sector:

- General Manufacturing
- Metal Fabrication
- Retail
- Furniture
- Data Mining Center

Utilities

Stanly County Utilities (SCU) is responsible for distributing more than 1.68 million gallons of drinking water every day to more than 6,000 homes, schools, churches and businesses in Stanly County. SCU operates four water funds – Stanly County Utilities, Greater Badin Water & Sewer District, Piney Point Water District and Stanly Water & Sewer Authority. We operate seven (7) individual water systems within our service area. We own and maintain four (4) elevated water tanks and one (1) standby water tank ranging from 150,000 gallons to 500,000 gallons.

SCU provides wastewater collection and treatment to over 700 customers in the Greater Badin District. We provide wastewater collection to the northern part of Stanly County, the County Airport region plus the communities of Palestine, Willsport, Ridgecrest and Aquadale. SCU provides wastewater treatment at our West Stanly Facility to the towns of Locust, Stanfield and Oakboro, as well as, collection and wastewater treatment to the neighborhoods of Running Creek, Ridgecrest and Stony Run.

Our goal is to provide consistent first-rate service to all customers, promote economic development, and expand the system to accommodate more citizens each year. Ongoing projects include:

- West Stanly Wastewater Treatment Plant upfit, increasing plant capacity to 900,000 gallons per day
- Brown Hill Road Industrial Park Water Transmission Main to improve fire flow to Stanly County Riverstone Industrial Park
- Phase 4 Water System Improvements expanding customer access to public water and improving system reliability
- Replacement of the Palestine Booster Pump Station
- A community-based small water main extension program to improve access to water for citizens in Stanly County
