COUNTY COMMISSIONERS

It is a pleasure to present to our community the 16th annual Report to the People. The report highlights programmatic outcomes, the efficiency of service delivery, the volume of customers served and more. The County strives each year to evaluate our progress, review our activities and make informed decisions to enhance services and programs we deliver to improve the quality of life for our citizens.

Below please find a list of some, but not all, of our key accomplishments in 2019:

- Secured over $1.75 million in grant funding to address the on-going opioid crisis in our community
- Maintained the tax rate for the 13th consecutive year
- Increased operational and capital funding to the local school system by over $2.6 million with an emphasis on improving classroom technology, upgrading building security and enhancing instructional resources
- Increased resources for teacher supplements by 9%
- Allocated additional public safety staffing resources to enhance 911 communications and sex offender tracking
- Started the planning process for a new 40,000 square foot trades based educational facility on the campus of Stanly Community College to enhance training for electrical wiring, HVAC technicians, plumbing, carpentry, machining, welding, auto repair and auto mechanics
- Made progress on the design and construction documents to rehabilitate the West Stanly Waste Water Treatment Plant in order to meet the growth demands in western Stanly
- Received national recognition for the County’s use of performance data in the management of services, training and public reporting for the 2nd consecutive year
- Began the construction of a new EMS base and radio communications tower to improve emergency response and interagency communication

The Board of Commissioners remains committed to its goals of enhancing educational outcomes, increasing job opportunities, improving public safety and expanding utility services. At the same time we understand the need to be good stewards of your taxpayer dollars and the need to limit the financial burden of taxation. As such, the Board will continue to work with the County’s employees to encourage innovation and increase organizational efficiency.

Please take a few moments to review our results and progress and do not hesitate to contact any of the County Commissioners if you have questions or concerns.

Respectfully,

Matthew Swain, Chairman
Stanly County Board of Commissioners

TRANSPORTATION

Airport
The Stanly County Airport continues to experience steady utilization from both general aviation and military activities.

Key Projects & Other Activities:
- Planning, coordination and the pursuit of funding continues with the Air National Guard to enhance the runway and taxiway for continued C17 training operations
- A new business Turbine Engine Support, LLC has leased office space in the Airport Terminal
- A 120’ storm water pipe rehabilitation that impacts the runway and taxiway was completed in 2019
- The airfield lighting rehabilitation project was also completed. All lighting has been converted to LED to save long term energy and bulb replacement costs
- An airfield fiber optic project is currently in the last phase of completion. The fiber project will enable high-speed Internet access at any location on the airfield. This project will also enhance residential service via a public-private partnership with Open Broadband, LCC for residents in the general airport area

CULTURE & RECREATION

Stanly County Agri-Civic Center
The Stanly County Agri-Civic Center is a multi-use complex housing offices of the NC Cooperative Extension Service, USDA Rural Development, Natural Resources Conservation Services, North Carolina Forestry Service and the Farm Service Agency as well as a 1,090-seat performing arts theatre, banquet facilities and several multi-purpose meeting rooms. Highlights of building maintenance and improvement projects:
- Installed new lobby chairs to control heating/cooling costs and additional wireless Internet access points to enhance seminar/presentation

Stanly County Library & History Center
The Stanly County Public Library and History Center provides books, information, and programming for citizens of all ages.

New Programs and Services for 2019
- Issued 1,655 new library cards
- Added over 4,000 new titles to the eBook collection
- Added approximately 5,000 new books to the collection
- Checked out over 151,000 items
- The History Center which includes the museum and Margaret Johnson Heritage Room had over 280 visitors per month

SCUSA Baby, Children, & Family
SCUSA provides safe, reliable transportation to all Stanly County citizens with a goal of excellent customer service.

Staff participates in ongoing training to ensure industry best practices are followed to provide the safest, most cost-effective coordinated public transportation service.

We are Stanly County’s PUBLIC transportation service—anyone can utilize our service. Please call our office to inquire about available routes.

Picks for Patrons – Grab & Go Convenience
You tell us what types of books you like to read, we will pick them out for you and have them ready for pickup within 3 days. Grab & Go convenience from your local library.

Summer Reading
Children had the opportunity to travel to space and learn about the solar system and experience an inflatable planetarium.
PUBLIC SAFETY

911 Communications

Provides 24 hour, 365 day 911 call dispatch services to the citizens of Stanly County with prompt and courteous assistance to those callers on both the 911 emergency and non-emergency phone lines. Major projects for 2019 include:

• Work continued on the design for construction of a 5th emergency radio communications tower adjacent to the Eastside Volunteer Fire Department on NC 24/273. Construction will commence in March 2020.

• The implementation of an AVL (automatic vehicle location) system is nearing completion. This system will allow 911 communications to see the actual location of each police, fire, and EMS unit equipped with a mobile data terminal on a map in real time. This will provide 911 dispatchers with the ability to ensure the closest unit to any given emergency is dispatched to the call. Further, the new system will also allow 911 to always know where each unit is in the event the first responder or officers has an emergency and needs assistance.

• In 2019, 911 processed 136,027 calls for service, this represents a 2% increase over 2018. The State of North Carolina requires all 911 centers to answer at least 90% of all 911 calls within 10 seconds. Stanly County Communications answered 99.68% of all calls within 15 seconds.

Emergency Management

A three (3) tiered department: Emergency Management, Emergency Medical Services, and the Fire Marshal’s Office (FMO).

Emergency Management defines an ‘all hazards’ approach to preparedness, response, recovery and mitigation of any natural, man-made or terrorist disaster.

• Maintained a Storm Ready Status

• Multi weather events this past year, to include an EF-1 Tornado in May in Aquadale

• Stanly County’s #1 weather threat is flash flooding. “Always Remember Do Not Drive Through Flooded Waters!”

Emergency Medical Services continues to adapt and grow with the changing pre-hospital medical practices.

• Responded to 16,015 calls (increase of 9%)

• Operated the (3) Life Flight Teams and (2) ambulance services

• Secured a $380,000 grant to initiate a community paramedic program to provide post response follow-up to patients related to opioid overdose and misuse

• Received a Bronze Mission Lifeline Award in recognition of the service's excellent STEMI (serious heart attack) care

• An EMS team from Stanly County deployed to the coast to assist with Hurricane Dorian relief efforts

• A new eastside (Hisco Street) EMS base is under construction

The Fire Marshal’s Office continues to strive for excellence in service.

• Conducted 331 fire inspections (decrease of 41%)

• Reviewed 85 commercial development plans (decrease of 10%)

• Responded to 45 fire investigations (increase of 33%)

• Assisted Badin VFD & the Southside VFD with insurance rating reductions

Safety Tip: Remember to check your smoke alarms and fire extinguishers regularly

Health Department

Mission: To provide self-sufficiency and to protect, promote, preserve, and improve the health, quality of life, and environment of the residents.

Vision: Building a county of self-sufficient, healthy individuals, families, and communities through public health and social services, and collaboration with community partners and communities of Stanly County.

- Dental clinic cared for an average of 33 patients per day
- 111 oral surgeries performed at Atrium Health
- WIC provided economic assistance to 7,776 women and children. Active cases of 1,470, 656 families were provided to 2,738 patients.
- Home Health maintained an average caseload of 150 patients and made over 15,800 visits.

Grants to Reduce the Tax Burden
- $100,000 – Community Health action grant to expand primary care access to uninsured adults and children in our community
- $79,000 – A grant from the NC Dept. of Health and Human Services aimed at reducing infant mortality in minority populations
- $1,000,000 – A federal Health Resources & Services Administration grant to help fund collaboration with community partners to expand prevention, outpatient treatment and recovery services to reduce opioid misuse and overdoses

The department is required to law by receive and investigate reports of abuse or neglect of children. If abuse or neglect is found to exist, services must be provided to protect the child from further abuse and neglect and help the parents learn to provide better care for the child. 504 child abuse and neglect reports were received; of those, 322 were evaluated to determine the level of services needed.

Veteran Services
This office assists veterans, dependents and surviving spouses with applications and forms required for Federal, State and County benefits through the Veteran Administration (VA). The Veteran Services Officer is the only fully-accredited representative authorized to represent the NC Division of Veterans Affairs and present claims before the US Department of Veteran Affairs in the county. This accreditation enables our office to access electronic files within the Veteran Administration to better assist all veterans and their families. 48 services are free of charge and we continue to encourage all veterans, dependents and surviving spouses to take advantage of all the services and benefits our Stanly County Veterans have earned.

- Provided assistance to over 2,100 Stanly County veterans, dependents and surviving spouses.
- Assisted with claims resulting in approximately $424,000 in back payments and monthly payments of $90,000.
- NC license tags, property tax exclusions and hunting/fishing licenses for veterans are authorized via the local Veteran Services Office.

Animal Control

- 1,416 On-site water protection program applications
- 156 Water samples collected
- 1,039 Rabies clinic vaccinations
- 254 Cruelty complaints
- 173 Animal bite investigations

Soil and Water Conservation Service

The mission of the Stanly Soil and Water Conservation District is to provide education, information and technical assistance to citizens of Stanly County for the conservation of our soil and water resources.

- Provided soil and water conservation information, environmental science instruction, project-based learning workshops, and outdoor learning activities to 3,067 individuals.
- Stanly Soil & Water has a no-fee drill available to rent for improving soil health and decreasing erosion. It was used twelve (12) times on 97 acres, dirt rental generated $1,712 in revenue.
- The cost-share program enunciated $80,537 in contracts designed to reduce soil erosion and improve water quality and quantity within the county.
- Received $66,000 to assist with agricultural Best Management Practices and $7,900 to assist with water needs on agricultural properties.

Solid Waste

Material Handled at Convenience Sites

- 2018
  - Household trash: 6,564 tons
  - Recyclable materials: 519 tons
  - Used soil: 7,179 gallons
  - Electronics: 61 tons
  - Hazardous waste: 51,062 tons
  - 2019
  - Household trash: 6,457 tons
  - Recyclable materials: 430 tons
  - Used soil: 5,141 gallons
  - Electronics: 41.86 tons
  - Hazardous waste: 49,990 tons

Save the Date!
Household Hazardous Waste Event Coming Mid-October, 2020 in the parking lot of the Agri-Civic Center located at 2602 Newt Road, Albemarle.

Safely dispose of paint, pesticides, old electronics, and more! This is a free event for Stanly County citizens!

Housing Assistance

- 2019
  - 300 families served
  - $338,606 to local families

In-Home Services

- 30,267 hours for 136 clients
- Provided $338,606 to local families

Food and Nutrition

- $1,000,000 – A federal Health Resources & Services Administration grant
- 159 Cruelty complaints
- 10 (10) volunteer counselors provided one-on-one counseling and assistance about Medicare, Medicare prescription drug plans, and other health insurance issues

AARP Tax Aide

- Volunteers provided approximately $425 income tax returns, saving approximately $82,000 in tax preparation costs

Average Daily Visitors

- Albemarle Site: Monday
- Locust Site: Tuesday

Senior Services

- The mission of the Stanly Senior Center is to provide education, information and technical assistance to citizens of Stanly County for the conservation of our soil and water resources.
- Provided education, information and technical assistance to citizens of Stanly County for the conservation of our soil and water resources.
- Presented soil and water conservation information, environmental science instruction, project-based learning workshops, and outdoor learning activities to 3,067 individuals.
- Stanly Soil & Water has a no-fee drill available to rent for improving soil health and decreasing erosion. It was used twelve (12) times on 97 acres, dirt rental generated $1,712 in revenue.

The Stanley County Tax Administration Office is comprised of two sections: the Collector’s Office and the Assessor’s Office, which includes Real Property and Personal Property.

The Collector’s Office collects the due date Stanley County, tax (19) municipalities, thirteen (13) Fire Districts, and two (2) Special Districts. They also collect for nuisance taxes and EM&I.

The Collector’s Office yielded a 97.49% collection rate for FY 2019. This rate represents the highest on record. Collection enforcement methods utilized included Garnishments, Bank Attachments, Debt Setoff, Escheat, and Foreclosure.

The Real Property Division continued their effort to complete the 2021 revaluation project which involved visiting/appraising all 39,000 parcels in the county. Appraisers visited roughly 15,200 parcels in 2019 for a project total of approximately 38,750 reviews since the project began in 2017. Appraisers are also responsible for taking new construction and hearing valuation appeals. Appraisers completed roughly 1,400 fair-visit revaluations for new construction and appeals.

The Personal Property Division processed 1,103 Homestead Exemptions, resulting in an exclusion amount of $52.5 million in tax value. The NC DMV “Tax and Tag” program processed an average of 5,952 registered motor vehicles monthly with a 99.54% collection rate. The Personal Property Division also worked out approximately 3,460 personal property listings and 3,016 business/personal property listings.

Facilities Management
Facilities Management is responsible for all county road signs, nine (9) convenience sites and over twenty (20) buildings and grounds which are owned or occupied by county departments.

Key Accomplishments:
• Installed new HVAC controls in the Courthouse
• Completed the renovation of the new Ratie Room at Senior Center
• Replaced the roof on the north end of the Commons facility
• Replaced a large section of concrete at the Courthouse parking lot
• Remodeled 2 offices for the Chamber of Commerce for their relocation to the Economic Development suite at the Commons

Economic & Physical Development
Cooperative Extension
Cooperative Extension programs are proactive in addressing issues identified by the Extension Advisory Board and seven (7) advisory programs, committees led by Extension Agents within the areas of agriculture, foods and 4-H Youth Development. Programs involved 13,187 citizens in direct services, events and activities. Agents secured grants and generated user fees along with gifts and donations totaling $24,945.

Volunteers increase the impact of what Cooperative Extension staff. 566 volunteers provided 7,400 hours of time valued at $188,182 and provided educational information to 4,071 citizens.

Agriculture: Assisted 478 agricultural producers through programs to help them become more profitable and sustainable through increased knowledge of best management practices. 159 field crop growers and livestock producers adopted best management practices as a result of Extension programs and recommendations.

Safe and secure food and farms systems: Offered educational opportunities for private and commercial pesticide applicators to receive re-certification credits. 197 individuals attended pesticide recertification class offered by Stanley County Ag Agents. These pesticide licenses enable applicators to use pesticides in accordance with NC Department of Agriculture and Consumer Science regulations in an efficient and environmentally sound manner.

Foods: 1,687 individuals participated in programming addressing food safety, healthy eating, physical activity, and chronic disease reduction. These programs were conducted through a variety of activities that included: Nutrition Programs for 3rd Graders, Go, Glow, Grow Nutrition Programs for Daycare, food preservation workshops, cooking camps, and nutrition workshops, food demonstrations, the Speedwalk to Healthy Exhibit, and the HikeIt program. 717 participants reported increasing their fruit and vegetable consumption, 438 reported they increased their physical activity, and 37 participants were trained in safe home food handling, preservation, or preparation practices.

4-H Youth Development: 4-H is continues to offer positive youth development opportunities. Sciences, Technology, Engineering and Math (STEM) continues to be a program focus. 26 teachers were trained in 4-H STEM curriculum and 3,259 youth reported increased knowledge in STEM.
Economic Development Commission

The Stanly County EDC responded to forty-eight (48) inquiries from prospective consultants or companies seeking information about available product, workforce, utilities, access to highways and other data related to a site(s) in Stanly County.

Staff worked directly with two (2) companies to announce the creation of 23 new jobs and $2.2 million in new taxable investment this year.

The EDC also met directly with twenty-one (21) local businesses to ensure they have the resources they need to be successful and profitable in Stanly County.

Below please find a graph illustrating the location and types of industries associated with the current list of active projects:

Utilities

Stanly County Utilities (SCU) is responsible for distributing more than 1.68 million gallons of drinking water every day to more than 6,000 homes, schools, churches and businesses in Stanly County. SCU operates four water funds – Stanly County Utilities, Greater Badin Water & Sewer District, Piney Point Water District and Stanly Water & Sewer Authority. We operate seven (7) individual water systems within our service area. We own and maintain four (4) elevated water tanks and one (1) standpipe water tank ranging from 150,000 gallons to 500,000 gallons.

SCU provides wastewater collection and treatment to over 700 customers in the Greater Badin District. We provide wastewater collection to the northern part of Stanly County, the County Airport region plus the communities of Palestine, Midridge, Ridgcrest and Aquadale. SCU provides wastewater treatment at our West Stanly Facility to the towns of Locust, Stanfield and Oakboro, as well as, collection and wastewater treatment to the neighborhoods of Running Creek, Ridgcrest and Stanly Run.

Our goal is to provide consistent first-rate service to all customers, promote economic development, and expand the system to accommodate more citizens each year. Ongoing projects include:

- The West Stanly Waste Water Treatment Plant renovation to increase capacity to 1.2 million gallons per day will start in the spring of 2020
- The water main extension to serve the Browns Hill Road Industrial corridor and Riverstone Industrial Park was completed in the late fall 2019
- The Water & Sewer Authority’s Phase 4 water system improvements to expand access to public water is under design and preliminary environmental review
- Replacement of the Palestine booster pump station is under construction
- A 1.4 mile water main extension to serve the Webb Rd. area will commence in the late spring of 2020
