The Stanly County Board of Commissioners (the “Board”) met in regular session on Monday, March 5, 2012 at 7:00 p.m. in the Commissioners Meeting Room, Stanly Commons. Chairman Dunevant called the meeting to order and Commissioner Dennis gave the invocation.

**APPROVAL / ADJUSTMENTS TO THE AGENDA**

Commissioner Lowder moved to approve the agenda with the following amendments: A) Pull Item # 3 – Public Comment Period Review and Follow-Up and replace it with the 911 Emergency Radio Communications Site Survey and Comprehensive Plan, B) Add the marriage amendment resolution as Item # 4 and move the consent agenda to item # 5. The motion was seconded by Vice Chairman McIntyre and passed by unanimous vote.

**ITEM # 1 – OFFICE SPACE RENOVATIONS – CLERK OF COURT’S OFFICE**

**Presenter: Michael Huneycutt, Clerk to Court**

Due to the elimination of several positions, the Clerk of Court requested approval to renovate a portion of their office space to improve customer service efficiency. Two diagrams were submitted for the Board’s information based on a partial renovation and a total renovation. To stay within a budget of approximately \$5,000.00, the Clerk of Court requested Board approval to complete the partial renovation at this time.

Vice Chairman McIntyre moved to approve the Clerk of Court's request for a partial office space renovation to be completed with a portion of the Clerk's unobligated funds for FY 2011-2012. The motion was seconded by Commissioner Dennis and passed by unanimous vote.

#### **ITEM # 2 – DEMOLITION RECOMMENDATION**

**Presenter: Andy Lucas, County Manager**

In August 2008, the County acquired a dilapidated barn as part of a 1.6 acre tract of land adjacent to the Agri-Civic Center. Due to the potential liability as well as its appearance, staff requested approval for the County to seek bids for the demolition of the barn and disposal of the debris. A preliminary cost is estimated to be \$750.00 - \$1,000.00. Should the bids fall outside the County's budgeted resources for the current year, the project will be put on hold and reconsidered as part of the FY 2012-2013 budget.

By motion, Commissioner Dennis moved to approve the demolition of the property and for the County to seek bids for its demolition. The motion was seconded by Vice Chairman McIntyre and passed with a 5 – 0 vote.

#### **ITEM # 3 – 911 EMERGENCY RADIO COMMUNICATIONS SITE SURVEY AND COMPREHENSIVE PLAN**

**Presenter: Karen McDaniel, 911 Director**

Due to various concerns with the current 911 emergency radio communication system, it was recommended a consultant be hired to complete a site survey and comprehensive plan for the County and its public safety partners. Although funding for the study was not included in the current year's budget, the 911 Advisory Board is concerned that the County is missing out on grant opportunities and therefore sought the Board's support in moving forward with the plan in this fiscal year. Funding for the study can be allocated from the 911 Surcharge Fund thus requiring no County funds.

Board approval was requested to appropriate funds for the 911 emergency radio communication site survey and comprehensive plan in the current fiscal year, and reach out to each municipality to participate as part of a steering committee for the survey and study plan.

By motion, Commissioner Dennis moved to approve the above request. His motion was seconded by Vice Chairman McIntyre and passed by unanimous vote.

#### **ITEM # 4 – RESOLUTION IN SUPPORT OF VOTER PARTICIPATION IN THE MAY 8, 2012 VOTE TO AMEND THE NORTH CAROLINA CONSTITUTION PROTECTING MARRIAGE**

**Presenter: Vice Chairman McIntyre**

Vice Chairman McIntyre read the proposed resolution as presented, then by motion moved to approve its adoption by the Board. His motion was seconded by Vice Chairman Lowder and passed with a 5 – 0 vote.
